Gregg,

Thanks for responding so quickly. I uploaded these samples and now your sampling is complete for the 2nd quarter of 2005, except for the JC-1 Age-dating that the lab still has not reported.

Please let me know if you have questions, an upload report is attached.

Thanks,

Dana/Steve,

I have uploaded into the database the missing flow numbers that were requested (UPDES-002, UPDES-003, F-9, F-10, JC-1, JC-3, 8-253). Hopefully, that's it. ONce again, the age-dating data will be uploaded when it becomes available from the lab.

Gregg
